Gary --

Several trustees would like to participate, but most of us are tied up all next week with public meetings on the Deepwater Horizon NRDA Draft Early Restoration Plan. Can we schedule a call during the week of January 27 (other than Jan. 28, when we have an RP meeting scheduled in another case). Thanks.

Jane

FYI, here are the comments on the draft San Jacinto FS; you will receive a hard copy as well. Also, please let me know your availability for a call next week to discuss the new alternative. I will be on travel Wednesday, but either next Tuesday or Wednesday would work for me.
